

Company Overview Document

1. Company Name

LoopCart

Tagline: *Rethink. Reuse. Revalue.*

LoopCart is a smart, sustainable secondhand marketplace that empowers users to buy, sell, or exchange gently-used products through a trusted and efficient digital platform. We are committed to reducing waste, enabling affordable commerce, and building a circular economy that works for everyone.

2. What Can We Do

At **LoopCart**, we connect individuals and businesses to a thriving community-driven marketplace, enabling the seamless exchange of secondhand goods with a focus on:

- **Trust and Security:** Verified sellers, transparent product listings, and secure transactions.
- **Affordability and Access:** Great deals on quality used items across all categories.
- **Sustainability:** Every transaction helps reduce waste and carbon footprint.
- **Smart Commerce:** AI-driven suggestions, real-time auctioning, and simple user journeys.

LoopCart redefines resale by combining convenience, credibility, and care—for both people and the planet.

3. What You Can Sell and Buy

Our marketplace supports a wide variety of categories to ensure a dynamic and useful secondhand ecosystem:
